Dear Parent/Carer

Year 11 GCSE Intervention Sessions - Spring Term 1

In order to continue supporting Year 11 students with their GCSEs we will be running intervention sessions both at lunchtime from 1:30-2pm and after school from 3-4pm Monday to Friday. This will start with immediate effect. Please see the timetable below with details of when subjects are being offered.

Monday	Tuesday	Wednesday	Thursday	Friday
· Sport Studies <i>lunchtime</i> · Maths <i>after school</i>	· PE <i>lunchtime</i>	· English <i>after school</i> · Geography <i>lunchtime</i> · History <i>after school</i>	· Music <i>lunchtime</i> · Science <i>after school</i> · Art <i>lunchtime</i>	· Business Studies <i>lunchtime</i> · French <i>after school</i>

Subject teachers regularly track and monitor progress and feel that all students who attend will benefit from these interventions. Attendance will be recorded and reviewed regularly to measure the impact on each student.

Intervention is an opportunity to deepen their knowledge and understanding and learn the necessary techniques required for exams. I would therefore urge students to attend intervention sessions and make full use of the additional time that teachers are giving to support them.

Please encourage your child to take advantage of this opportunity to increase their chances of securing their best possible grades.

If you wish to discuss this further or if anything is unclear please email: admin@fearnhill.herts.sch.uk

Yours sincerely
