Dear Parents and Carers,

## Welcome Message from Head of Key Stage 4

Today marks the beginning of your child's Key Stage 4 journey as they start their GCSE subjects. I was appointed Head of Key Stage 4 back in January and am very much enjoying the role. I would like to take this opportunity to welcome Year 9 as they become %10.

As we know, this is an important time in your child's education. The last 3 years will hopefully have prepared students for this and they will find the transition a smooth and enjoyable one! We understand that change can be stressful and daunting, but staff are here to support them.

If your son/daughter has any concerns about their option choices after the initial few lessons please email: [admin@fearnhill.herts.sch.uk](mailto:admin@fearnhill.herts.sch.uk). Hopefully they will be happy with the choices made and make a positive start this half term ready for the next 2 years.

We emphasise to our students that attitude so often determines the progress they make. A resilient, positive attitude can ensure this.

I look forward to getting to know this year group, working with you as parents/carers and watching our students progress and succeed.

Please do not hesitate to contact me if you have any concerns.

Kind regards,

**Mrs Martin**
