## Becoming a governor

An opportunity has arisen for parents and the local community to have more involvement in the growth and continued improvement of Fearnhill. There are currently two vacancies for governors on the school's governing body. You may be a parent or a member of the local community who would like to help make a difference for our young people.

Being a school governor is an important and rewarding role and gives you a voice in key decision making that affects our school and the wider community. Full training is given. There is a commitment of time to attend meetings (around six per year), but this brings the satisfaction of contributing to the school's ongoing success.

If you would like to know more about the role or to volunteer to be involved, please contact me for an informal chat on [head@fearnhill.herts.sch.uk](mailto:head@fearnhill.herts.sch.uk), or phone the school.

I look forward to hearing from you and thank you for your ongoing support for Fearnhill.

Yours faithfully
