

FEARNHILL SCHOOL

Headteacher – Ms E Ellis BA, MA

Our ref: LBN/SCR

March 2023

Dear Parent/Carer

National Careers Week 6th -11th March 2023

Fearnhill School is looking forward to Celebrating National Careers Week next week. Please read the following as a guide to how National Careers Week can support your young person/people both now and in the future through the world of Careers Education. Explore the activities and resources available and open the doors to the amazing opportunities that lie ahead.

We want to encourage families to have conversations about careers and you can make a start by supporting your young people to start exploring, spark their curiosity and build excitement for their future by talking about careers during National Careers Week.

We have some resources to help get these conversations started. These can be found on nationalcareersweek.com

- Information on many careers from over 40 National organisations, including our supporters the Natwest Group and NHS Health Careers.
- An online [virtual careers fair](#)
- A short 'Believe' film, created to support young people to imagine and believe in their potential
- Activities for both primary and secondary school students.
- A short 'Hope' film with stress and wellbeing resources. This features young people talking about their hopes and anxieties for the future. Wellbeing advice and practical tips on managing feelings of stress is provided by GP and broadcaster Dr Radha Modgil.
- plus more activities to be introduced throughout the week

We hope that you will join in this year. You can link up with other families, schools, colleges, universities, careers companies and businesses celebrating careers by using #NCW2023 on social media. Go explore....

Yours faithfully

Ms Balchin & the National Careers Week Team
