

Recruitment

Join our catering teams, working part time preparing and serving delicious, nutritious school meals.

Working for HCL, you may already have experience in food preparation, or you just have an interest in serving attractive and healthier food choices for school pupils in your area – we have vacancies to suit most people who would like to work for HCL, an award-winning specialist caterer.

We will provide you with full training, personal development, part time and term time only working (so you can have the holidays off to fit in with your family life), pension, on the job support and discounts that can save you £100s each year!

Positions are available in both Primary & Secondary Schools and our recruitment team is waiting to hear from you right now! The work is demanding but just as rewarding, and best of all, you can fit it around your life. Join our friendly team and we will give you all the support and encouragement you need to feel right at home.

Find out more and apply for any of our latest vacancies at <https://vacancies.hcl.co.uk/> or contact us on social media for any queries.

Review your school's payment method

Students moving up to Secondary School will find that there are different methods of paying for their meals. Some schools still operate a straightforward cash system and others offer a smartcard. This is where accounts are topped up by direct payment to online individual student account. Many schools have now moved over to a biometric till system (recognising a student's partial fingerprint). Speak to your school for more detailed information on their payment system.

Who is HCL?

As professionals in nutrition and catering, we make it our priority for parents to trust HCL to provide great menus that support your best interest in your children's health and well-being.

Our menus for secondary schools are carefully planned to provide maximum taste, premium quality, and fantastic value throughout the whole school day. Our food menus offer an enticing mix of traditional meals, along with popular, innovative international dishes and snacks. HCL is proudly committed to introducing new tastes and new produce into our menus.

Sample Menu

Menu:

We provide tasty main meal dishes from our HCL Signature Menu including vegetarian and vegan options.

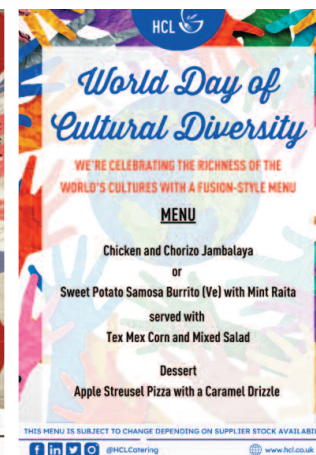

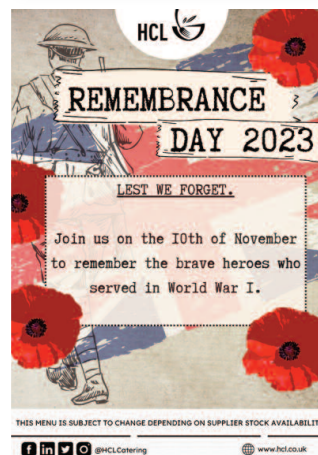

Our Food concepts include a Jacket Potato Bar with various toppings, World Press Panini and Wraps with a variety of delicious fillings. The inspiring 'World Food Fest' encompasses cultural dishes from around the world and lastly our incredible Grab & Go selections for quicker lunches are found in the chiller range.

Benefits of School Lunch:

We understand that when students reach secondary school, life becomes so much more demanding. Whether that be hurrying to the next lesson, fitting in an extra sports activity, or rushing to spend time with valued friends. We understand that some students have not got the time to sit down and eat a two-course meal each day. Not having the time should not exclude students from having all the benefits of eating good food at school. That is why most of our great tasting menu items include chilled range and hot handheld options.

Theme Days and Concepts

During the academic year, we run several theme days to keep school lunch exciting and to encourage students to explore their taste. We believe it is essential to bring awareness and embrace diversity through traditional cuisines. We continue to receive great responses from students who enjoy the change of menu, as it keeps them intrigued and provides a great opportunity for them to try new dishes. Previous theme days have included Turkish, Mexican, Spanish, Indian and Chinese dishes that give restaurant quality.
