2023-2024

Dear parents/carers,

Extracurricular Activities 2023-2024

I am writing to share with you all the exciting extracurricular activities we have on offer at Fearnhill this year.

At Fearnhill, we believe that engaging in extracurricular clubs offers a valuable opportunity for students to develop their skills and encourage experience outside the classroom. Clubs are an integral part of the ethos of the school and they provide students with an opportunity to enhance their personal development and self-image. This is why we expect all students to be involved in at least one club. We would appreciate your support in encouraging your son or daughter to try out a new club this term. There are lots of opportunities for them to learn a new skill and try out something new.

The PE department always offers a varied choice of sports clubs both at lunchtime and after school, but we have so many more clubs running such as; jigsaw puzzle, lego, creative writing, choir and sewing, to name a few! We welcome a number of new clubs including a cooking club which is proving very popular, and look forward to seeing what culinary delights Fearnhill students produce. Old favourites such as the sustainable society and school production club are continuing to run this year.

Please find a copy of this term's club offer on our website:

and look out in Fearnfile for pictures and information about the different clubs running each week.

Yours faithfully

Mrs Bennett
