MR SPENCER'S UPDATE

June 19th was national 'Thank a Teacher Day'. I have always believed that the best way to improve education for children is to ensure they have good teachers. Great facilities, a well planned curriculum, challenging assessment, additional support and wider opportunities all help, but in the end teachers make the difference. We probably all remember the difference a great teacher made to us.

The quality of teachers at Fearnhill is - in my opinion - one of its greatest strengths. We have subject specialists in almost all lessons, something which is increasingly rare in most schools.

MR SPENCER'S UPDATE ...CONTINUED

We have new teachers joining us in September in English, maths, science and social sciences who will only add to the strength of the team.

I witness every day the commitment and kindness of staff. I am constantly inspired by the relentless warmth and encouragement Fearnhill teachers show towards their students. Similarly, teachers take pride in delivering carefully planned lessons, ensuring students get the support they need and going the extra mile to help. I see teachers regularly give up their own time to support clubs, revision, events and coursework, amongst other things. Teachers are ambitious for their students and support them to improve in many ways.

I feel a great sense of pride to work alongside the teachers at Fearnhill. Through their hard work and kindness they are improving the life chances of all students who attend the school. It is a privilege to work with them and I would like to use this opportunity to say a public thank you for all that they do.

If you would like to share a message of thanks with a teacher, please complete [this online form](#) and I will ensure the message is passed on.

Mr Tim Spencer, Headteacher

ATTENDANCE MATTERS

7. Promoting Mental and Emotional Well-Being

School is a place where students not only learn but also grow emotionally and mentally. A structured routine provides stability and helps students develop coping mechanisms. Regular school attendance helps students maintain a sense of routine, which is important for mental health, especially during stressful times.

Note to parents/guardians: Expected attendance is 97%, meaning students who miss more than a day per half term are likely to underachieve and be at a significant disadvantage to their peers. Please support your child in attending school.

Mr M Phillips, Assistant Headteacher

UKMT JUNIOR MATHEMATICS CHALLENGE 2025

Mrs J Lee, Teacher Maths

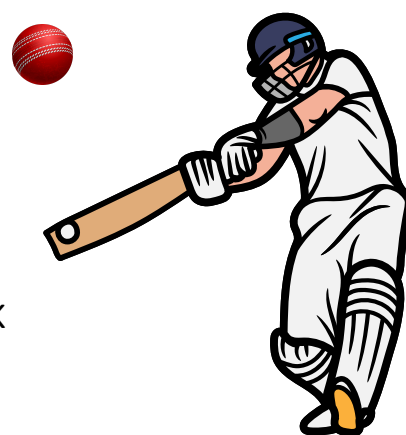

SCHOOLS OF SANCTUARY AWARD

We are delighted to announce that we are now officially a School of Sanctuary! Schools of Sanctuary is a national network of almost 600 primary and secondary schools, nurseries, and sixth forms all committed to creating a culture of inclusion for refugees and people seeking asylum. This award recognises Fearnhill as a welcoming and supportive environment for young people of all backgrounds as well as raising awareness of the issues facing people in the asylum system. We are the first school in Hertfordshire to be recognised in this way and we can't think of a better way to celebrate Refugee Week! Congratulations to everyone who worked hard to make this happen, to all staff for helping make our school the warm and welcoming place that it is, and especially to all our wonderful students!

YEAR 9 CALYPSO CRICKET TOURNAMENT

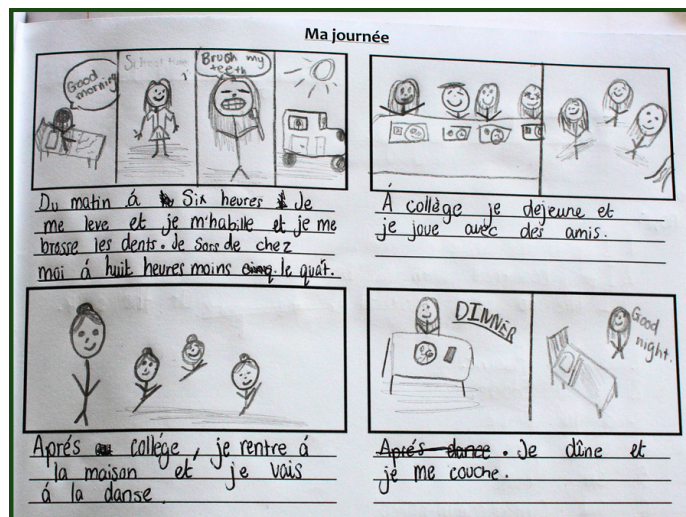

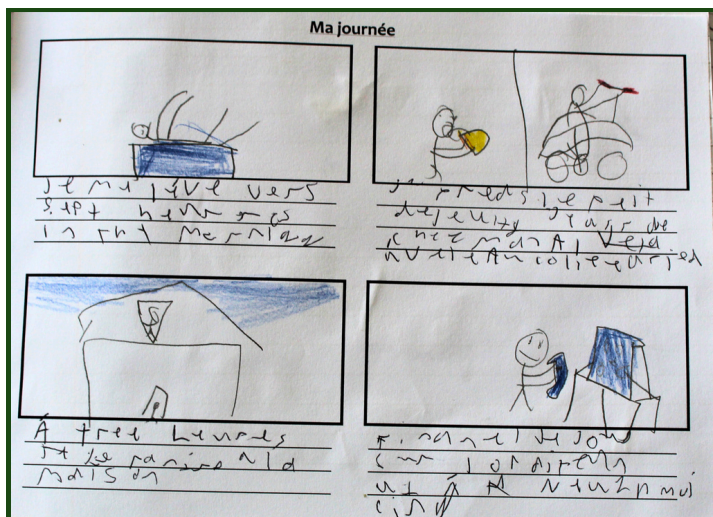

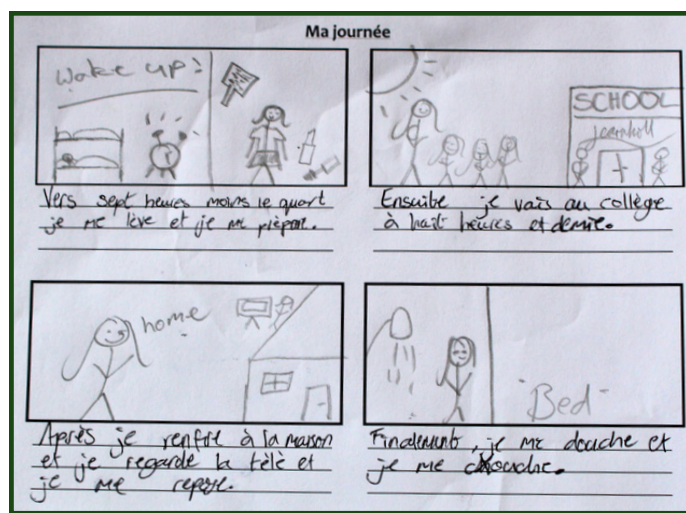

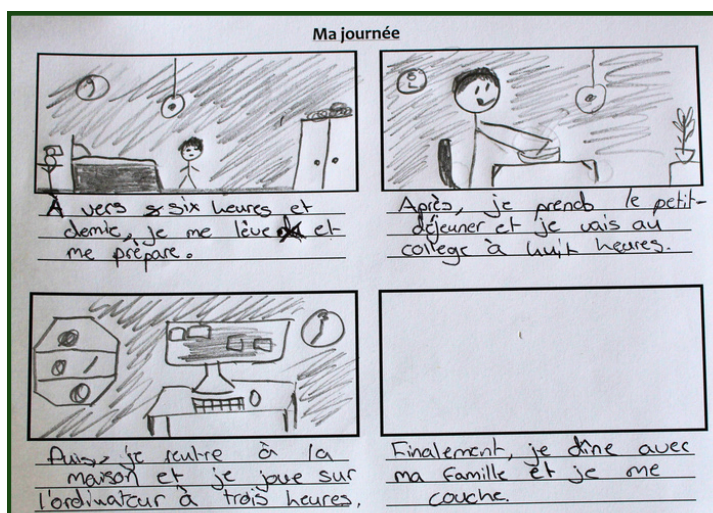

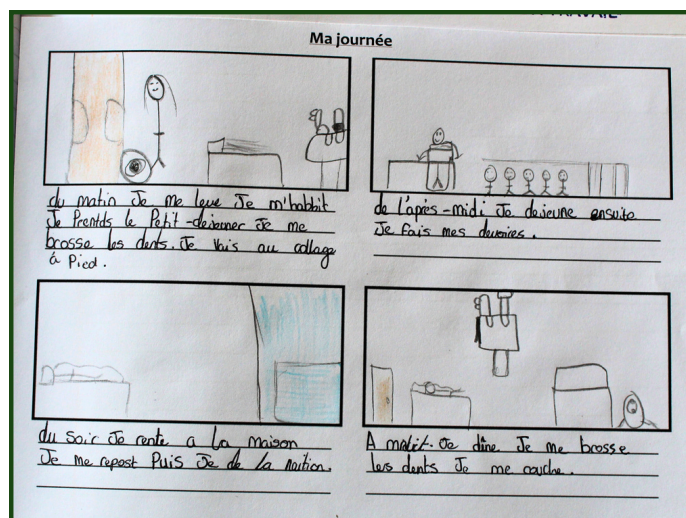

Our Year 9 cricket team took part in the Calypso Cricket Tournament at Hitchin Cricket Club last Monday. We won 2 matches and lost one, narrowly missing out on the final. Joel S scored 68 runs across 2 innings without getting out in the tournament. Sam P and Josh B had to retire scoring over 25 in different games. Braeden M bowled an over with 3 wickets that set us on course for victory in our final game. Connor N and Lucy K contributed well to the team performance throughout. Well done everyone for an excellent performance all round!

Mr M Turner, PE Teacher & Head of KS3

YEAR 7 FRENCH

In their French lessons recently, the Year 7s have been talking about their daily routine. To put their writing into practice, they have created some lovely story boards, telling us what a typical day looks like for them. Well done Year 7!

Mrs K Cross, Head of Modern Foreign Languages

COOK & SHARE

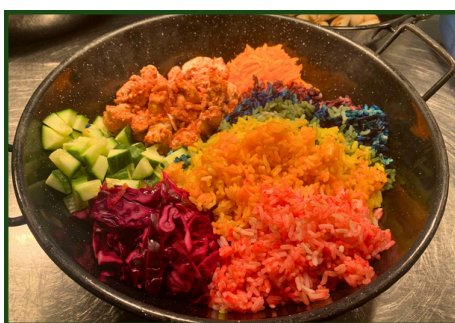

We had a wonderful time last week hosting a 'Cook & Share' event in catering with some of our families. A small group of parents were invited in to cook a meal from their own culture, then sit down and enjoy eating together. Seven countries across four continents were represented at the event, with delicious dishes such as Maldivian Kulhimas, Colombian Shrimp Ceviche, Molokhia, Ugandan Chicken and Rice, Feijoada and Trinidadian Doubles. Thanks so much to all the families who came in, we all enjoyed your cooking so much!

PRIDE IN THE CANTEEN

Our School Canteen celebrated Pride Day on Thursday with a gorgeous selection of rainbow coloured food.

LIBRARY BOOK RETURNS

The Library currently has around 400 overdue books out on loan to students. As you can imagine, it is important that receive these back so that we have books available for other students to borrow.

With this in mind we will be having termly book return deadlines for these to be returned or renewed. Any books still overdue after this date will be considered lost and parents will be asked to contribute towards their replacement. The first of these return days will be Monday 30th June. Please encourage your student to have a hunt around and return any books to the library before this date.

Ms R Thurlby, Librarian

LIBRARY

The Library is open before school from 8am and after school until 4pm. You can also visit the library during break and lunch times to read a book, do some homework on the computer or play a card or board game (sorry, no computer games!).

Information for Parents

Did you know that pharmacies can now offer clinical appointments with medication available if required for four clinical conditions particularly relevant to school age children?

- ✓ **Earache** (children aged 1-17)
- ✓ **Sore throat** (over 5s)
- ✓ **Infected insect bites** (over 1s)
- ✓ **Impetigo** (over 1s)

Think 'Pharmacy First'

GP practices are busy and it can be difficult to get a same-day GP appointment. When your child is off sick from school with any of the above conditions, by going straight to your local pharmacy you can have a consultation with a trained clinical professional and receive advice and even medication if it is needed, meaning they could be on the road to recovery and back at school as soon as possible.

For more information speak with your local community pharmacy.

To find your nearest pharmacy see:
